Dear Friend of the Players

As you drove up to the theatre, you could already see the exciting beginning of the expansion of the Players Theatre. Now, just walk around the "Lobby" and imagine the beautiful Art Deco decor, the expanded ladies and gents washrooms, the new bar and snacks windows, that we are working on!

We have received about \$150,000 as new capital through the generous donations and pledges from those persons listed in the Playbill, and from past patrons and audiences. We need an additional \$150,000 to complete the interior space and landscaping.

You can help continue the renovation work, and be recognized for your contribution

- ❖ By dedicating in a name of your choosing, parts of the renovated facility (several opportunities, please ask)
- ❖ By a making a cash donation and/or pledge to join our "Development Partners" at levels of \$1,000 and above and have your name recorded on a plaque for the Lobby
- ❖ By making a donation of materials, fixtures or furnishings that fit into the overall finishing plan.
- ❖ By sending a donation that fits your budget.

We would be grateful if we could contact you in confidence with more information. Let us know how this would be most convenient.
